GENERAL REGULATIONS

1. Matriculated students are NOT eligible to enroll through Open University.

2. You must clear all Cal Poly registration holds before you will be enrolled in your courses.

3. If you have been dismissed or are subject to disqualification from Cal Poly, your college must provide documentation to Extended Education allowing enrollment in classes.

4. Courses repeated through Open University are subject to the Cal Poly repeat rules and guidelines. Please see the Office of the Registrar website at registrar.calpoly.edu for more information.

5. A maximum of 36 quarter units of Open University credit and other extension credit may be applied to a Cal Poly bachelor’s degree. No more than 12 quarter units of approved Open University credit may be counted toward an approved formal Master’s study plan. Check with the appropriate department to determine the program requirements. If credit is to be transferred to another university, it is the student’s responsibility to verify that the courses and course units will be accepted by that institution.

6. You may obtain access to the Recreation Center for an additional fee after your registration is processed. A Cal Poly ID card is required and you must be at least 16 years old.

PAYING FOR CLASSES

After successfully registering in a class, you will receive a confirmation email with instructions on activating your My Cal Poly Portal. Before you can log in, your user name and password must be initialized by calling the IT Service Desk at (805) 756-7000.

Payment can be made online through the “Money Matters” tab of the student portal, by clicking the “Make A Payment Now” button, then the “Click here to make an online payment” link. You must select the EXTENDED EDUCATION option at the bottom of the online payment page to ensure that your payment is applied to your Extended Education balance. Online payment can be made by eCheck or credit card. There is no convenience fee for payments made by eCheck. A 2.75% non-refundable convenience fee will be charged for credit card payments. Online Credit Card or eCheck payments made after 4:15 p.m., or on non-business days, will post to the student’s account on the next business day. The online payment system may be accessed outside of the student portal at afd.calpoly.edu/Student_Accounts/online_payments.asp. Students have an option of creating a separate parent login account for online payments via a CASHNet Parent PIN. Setup guide available at afd.calpoly.edu/student_accounts/forms/CashNet_PARENT_PIN_Guide.pdf.

In person cash or check payments can be made at the University Cashier’s office. When paying by cash or check, be sure to provide the item code “CE”. This will ensure that your payment is applied to your Extended Education balance. The Cashier’s Office is in Building 1, Room 131E. Office hours are 9:00 a.m. to 4:00 p.m. Monday through Friday.

ACADEMIC RECORDS POLICY

No entry will be made for the course on your academic records if the Petition to Withdraw is submitted to Extended Education by the “Add/Drop” date. If you submit an approved Petition to Withdraw before the end of the 7th week of instruction for a serious and compelling reason, you will receive a “W” (Withdrawal) as a final grade. If you submit an approved Petition to Withdraw before the last day of instruction for an emergency reason, you will receive a “W” (Withdrawal) as a final grade. Failure to submit a Petition to Withdraw may result in a “WU” (Withdrawal Unauthorized) which is equivalent to a failing grade. Please visit www.openuniversity.calpoly.edu for current withdrawal deadlines.

It should be emphasized that poor grades, general inability to pay, irregular attendance, or dissatisfaction with the course are not in themselves sufficient reasons for withdrawal approval.

WITHDRAWAL POLICY

To withdraw from a course, you must submit an approved Petition to Withdraw form to Extended Education. Please visit www.openuniversity.calpoly.edu for current withdrawal deadlines.

REFUND POLICY

If an approved Petition to Withdraw form is received by the Extended Education office by the withdrawal deadline, a refund will be processed. The deadline to receive a full refund correlates to the “Add/Drop” date set forth by the University. Please visit www.openuniversity.calpoly.edu for current refund deadlines. Please note: If fees were paid by credit card, the 2.75% convenience fee will not be refunded.
